

To the owners of Strata 799:

PLEASE BE ADVISED

Bear sightings in the Strata 799 Village
continue
(as recently as Friday, November 16th)

If you see a bear in or near our village,
it is EXTREMELY important that you notify EMBC directly
(1-800-663-9453)
(Emergency Management BC)

If you are unsure about this process, please contact Lana Blair (Strata Representative) at 250-218-0555.

As a secondary measure, you may also notify Strata 799 Council. The mountain will soon be in full swing and the Village is filling with people, children are playing, and we want to ensure that we have taken every precaution to keep everyone safe while enjoying our amenities.

Sincerely, Strata 799 Council
