

# Tred Alpine Services

Private Snow Clearing  
SERVICE REQUEST FORM 2020-2021

783 Sassaby Place  
Campbell River, BC V9W 8B2  
Phone: (250) 898-0488  
Email: [tredalpine@gmail.com](mailto:tredalpine@gmail.com)

Website: [www.tredalpine.weebly.com](http://www.tredalpine.weebly.com)

Owner Name: \_\_\_\_\_

Site Address: \_\_\_\_\_

Billing Address: \_\_\_\_\_

Phone: \_\_\_\_\_

E-Mail: \_\_\_\_\_

PLEASE PRINT CLEARLY (CASE SENSITIVE)

Snow cat rates are **\$172.38** per hour + GST, and will be billed in 15 minute increments. Please detail the areas to be cleared by drawing a schematic or writing a detailed list of areas on the next page. Also indicate at what height you want the snow to be maintained.

**Tred Alpine Services assumes no damage liability for unmarked hazards including decks, railings, stairwells, propane tanks etc.** We will bill at the end of the ski season, and payments can be made by cash, cheque or e-transfer.

Please send my invoices to me via:

- Email address above
- Regular mail to billing address above

CHECK ONE

- I will call Tred Alpine Services when I require snow clearing services.
- Tred Alpine services will clear snow as detailed above as required.

CHECK ONE

- I would like this request form to remain in effect unless I cancel it by contacting Tred Alpine Services. (If you check here, this form does not have to be filled out and sent to Tred Alpine Services each year - we will assume an ongoing contract with you until you contact us to cancel it - we will notify in advance of any rate changes)
- I will send in a new request form yearly, and this form is valid for one ski season only.

I hereby request that Tred Alpine Services perform snow removal near/around my property (detailed below) in Strata 799 on Mount Washington.

OWNER SIGNATURE

\_\_\_\_\_  
DATE

Please note: our contract with Strata 799 states that private clearing can only be done **after** all parking lot clearing and village grooming has been completed. We will get to it as quickly as we can.

**Clearing Instructions**

Please detail the areas to be cleared by drawing a schematic or writing a detailed list of areas below. Also indicate at what height you want the snow to be maintained.
