

## VIS799 Parking Boss Registration Information and Passcode

After a lot of work by the Winter Parking Committee to identify a system to help us manage our parking capacity, your Strata 799 Council is happy to welcome you to the new **Parking Boss** software system to register your, and your guest's, vehicles during their stay in the Aline Village. Please review the Letter and Parking Policies you received with the Council Meeting Minutes for more information on the Parking Boss system, implementation, and policies for parking in the Alpine Village.

Parking Boss has prepared custom training videos to help you learn how to register your vehicle, and also to cancel so you can change registration to another vehicle, should this be needed. These videos are available here:

[Register your vehicle:](#)

[Cancel a Vehicle Registration:](#)

To access the Parking Boss system, you need to go to the following website: [MWAV.ParkingAendant.com](http://MWAV.ParkingAendant.com)

During registration, you will need to select your "Home" (which is a combination of your building number and civic street address to help avoid any confusion) and have an **ACCESS CODE** which is unique to your Home (please do not share your passcodes).

During registration you are asked for an email and a phone number:

- We ask that you provide the UNIT OWNER email address so that you are aware of any issues with the vehicle being registered (i.e. policy violation)
- We ask that you provide the VEHICLE OWNER mobile phone number so they can be contact on the mountain if there are any issues with their vehicle (improperly parked, blocking a snow dump etc).

A reminder that both GOLD and SILVER passes have access to all parking lots this year as we learn how to use the system and collect parking usage data. Next year, we may adjust policies based on data we receive from the system.

Access to Parking Boss does require the unit owner email so we can send out passcodes, so if you know of anyone that does not have a passcode, please ask them to **contact Erika at Pacific Quorum ( [eenglish@pacificquorum.com](mailto:eenglish@pacificquorum.com) )** with their email so that a passcode can be shared.

Thank you, and all the best for a snowy, safe, 2022/23 Season at the Alpine Village!

Regards,  
Strata 799 Council
